

Durable, Outdoor Package Receptacle For Centralized Parcel Delivery

Outdoor Parcel Locker (Model 1590V2AF)

Auth-Florence Outdoor Parcel Lockers are designed for use with 1570 Series Cluster Box Units. Each compartment utilizes the following combination:
1 USPS supplied Arrow lock (on the top) and 1 manufacturer supplied 910B lock (on the bottom).

When tenant accesses compartment, tenant key is captured and retained in 910B lock.

Standard Features:

• Product Dimensions:

Height: 34"
Width: 14.5"
Depth: 27.5"

Pedestal Height: 20"
Overall Height: 54"

- Two piano hinges on each unit - one per door running the entire length of each door
- Hood protects against the elements
- Durable powder-coated exterior finish

Optional Features:

- 1P and 2P parcel locker decals are available
